Hi Catherine,

I am a teacher at Luckington Primary School, and we have recently noticed some full poo bags being left at the back of our school where staff and children get out of their cars.

The children decided that they felt this was spoiling their school and village, so we decided to take action to resolve the problem!

You may have seen or heard via Community Matters that the children designed and made posters to politely ask dog walkers to take their dog poo home.

We also did a walk around the school and noticed that there wasn't a poo bin at the back of the school (the cherry orchard road side) and so we wrote to Wiltshire Council asking for another bin to help the dog walkers.

The council looked at the number of bins we have in the village and said that they could not add the number of bins we currently have which is three but we could ask the Parish Council to purchase another one for this area of the village.

I also just wanted to say that if we do get another bin we would like it to go on the green at the back of the school.

We feel that this would help the situation for everyone involved and wondered if the Parish council would consider this option.

Thank you for your consideration.

Vanessa Newman
