Dear Parish Council,

I live at Glen Cottage at the top of Cherry Orchard Lane, near the primary school. I would like to pay for plant and maintain two cherry trees on the triangle of grass outside Glen Cottage. Who do I get permission from? Is that piece of land owned by Badminton?

With many thanks

I am writing to thank you for the very kind donation of £200 that the parish Council gave to the Trustees of Alderton Village Pond and Green.

We have now added to the electric fences surrounding the pond and installed wire grills to the culverts. The security measures were completed about three weeks ago and we have not been aware of the otter since. He may of course still return if he exhausts the feeding grounds that he may have found elsewhere. Hopefully our defences will prove to be sufficient.

We have now repatriated most of the ducks that we had managed to save and took to a safe haven, although the four most expensive are still at the temporary home. During the summer, as we become confident that the otter has gone, we shall start to replace the ducks that we lost, but this process will take at least until the Autumn to complete.

We are very grateful to all the local residents who have responded so magnificently to the appeal for contributions, and very much appreciate the support we received from your committee. Please will you express our thanks to them.

Very Kind Regards,

George

(F G Lynham, Treasurer, on behalf of the
Trustees of Alderton Village Pond and Green)

Regular footpath obstruction, day & night, on the B4040 at Luckington on an S-Bend in the village main street. This footpath is used regularly by mothers and children going backwards and forwards to the Village School, quite often with small children in pushchairs.
