

# Luckington Parish Council Cemetery Plan (2025)

NB. Unusable plots are marked with a cross. At this south end, subsidence of land has occurred over time into the ditch at the rear of the cemetery.

Cremated remains
Infants/still-born

Originally, rows E and F were designated for children only: the plot sizes are 7'6" rather than 9'. The only child burial in these rows is E74. These rows, minus the crossed-out unusable plots (due primarily to trees), are the designated spaces for burial of ashes as of January 2022.
