**c. Budget spending plans in 2026-27**

EW shared with Councillors ahead of the meeting the end of March 2026 cashbook figures for 2025-26 year, noting these have not yet been audited. 31 March 2026 £13,607.05. The Balance on 1 April 2025 was £12,848.01, with receipts of £14,577.13 and payments of £13,818.09 during 2025/26. This meant a profit of £759.04.

The Parish Council requested a precept for 2026-27 of £23,458.35. The first half of this payment is expected from Wiltshire Council at the end of April. This increased precept means the Parish Council can now make plans for the following projects: renovating Alderton phone box; replacing the three noticeboards in Luckington, Alderton and at the Cemetery and upgrading the website. The Councillors agreed to prioritise renovating the phone box during the summer months. EW noted the Luckington noticeboard was in a poor state and leaking water. The Councillors agreed to replace this noticeboard first. JB and EW felt that researching and procuring a new website would take longer to arrange and implement, and so this will be started by EW as soon as time allows and discussed at a future meeting in more detail. **Action:** EW to find the previous quotes for renovating the phone box and request these are resubmitted to the Council. **Action:** EW to research 3 quotes to replace the noticeboard.

**9/2467. Internal Audit updates:**

EW informed the Councillors that she has started to complete the AGAR form 2 as part of the internal audit. She noted that the Parish Council will not be able to provide a positive response to the new Assertion 10. The Form states a statement must be published and EW will bring a draft to the May meeting. The files will be passed onto the internal auditor later this week.

**a. Review of Risk Register for 2026-27**

EW shared a copy of this in advance with the Councillors. JB suggested increasing the last item to Medium as the risk with changes, like the introduction of Assertion 10 in 2025/26 with the Clerk's limited time of 30 hrs a month, does increase the potential risk. The Parish Council **resolved** to accept the Risk Register.

**b. IT Policy** This Councillors agreed this will be produced as part of the new website being created.

**c. Data Protection Policy** EW confirmed she has not had time to make a start on an updated policy, and this will be done during 2026/27 alongside the new website.

**10/2468. Wiltshire Council:**

**a. Future Waste Services feedback survey**

EW circulated an email from Wiltshire Council to Councillors and posted the information on the LAPC website in the news section. The survey is available until Friday 17 April at 5pm. The survey will gather feedback on current household waste and recycling habits, use of Household Recycling Centres (HRCs), and residents' views on service changes, including the move to three-weekly general household waste collections, alongside new weekly food waste collections coming in 2027 and additional recycling options.

**b. Service Devolution and Asset Transfer Policy – informal feedback**

EW circulated the email from Wiltshire Council to Councillors prior to the meeting. JB said that Wiltshire Council are in the process of changing the policy to lay the ground for further devolvement of services to Town and Parish Councils. Discussed that small parish councils are at a disadvantage to able to take on extra things, due to budget and Clerk's time. The Parish Council did not want to provide feedback at this point.

**11/2469. Lime Down Solar Park update**

i. JB confirmed that the Planning Inspectorate has allocated him an online slot to speak for 5 minutes on behalf of LAPC at the Open Hearing on Tuesday 21<sup>st</sup> April 2026.
